

Job Description

ASSOCIATE / SENIOR ASSOCIATE –
BUSINESS FINANCE (ASSET MANAGEMENT)

LIGHTHOUSE CANTON

Job title	<i>Associate / Senior Associate – Business Finance (Asset Management)</i>
Reports to	<i>Business Manager, Asset Management</i>
Location	<i>Bengaluru / Mumbai</i>

Role Overview

We are seeking a high-quality finance professional to join our Asset Management division as an Associate/Senior Associate – Business Finance. The role will work closely with the Business Manager, CEO of Asset Management, internal finance teams, and external partners. The objective is to drive financial accuracy, performance tracking, and cashflow optimization to support the business in achieving its strategic and financial goals.

Duties and responsibilities

- Work collaboratively with Finance, Operations, and Business teams to monitor performance across asset management verticals
- Ensure integrity and accuracy of financial data by coordinating with internal finance teams and external stakeholders
- Maintain, update, and enhance internal financial dashboards and business performance trackers
- Develop and refine KPIs to track the progress of various initiatives and business units
- Support budgeting, forecasting, business planning, and financial modelling
- Analyze business cashflows; identify and execute opportunities for cashflow optimization
- Prepare high-quality presentations, financial materials for senior management and leadership reviews
- Support finance-related special projects, audits, data reviews, and ad-hoc business requirements.

Qualifications

- CA or MBA (Finance).
- 3–5 years of experience in Business Finance, FP&A, Corporate Finance, or related functions
- Strong financial modelling, analytical, and dashboard management abilities
- Excellent communication, stakeholder management, and presentation skills
- Ability to work collaboratively across finance, operations, and business leadership teams
- Prior experience in Asset Management or financial services is a plus

Key Competencies

- Strong analytical and problem-solving orientation
- High attention to detail and strong ownership mentality
- Ability to work in a fast-paced environment with multiple priorities
- Strong interpersonal and cross-functional collaboration skills
- Professional integrity and ability to work with confidential financial information
